

## Overview

---

- Young, hard working student trying to gain experience in the health care industry.

## Objective

---

- Currently a student at Wayne State University, and I am like to become familiar with the inner-workings of a hospital's general atmosphere.

## Employment History

---

08/07-02/10      **Kroger**      Saint Clair Shores, MI  
Meat Clerk

- Meat Clerk duties: serving customers, stocking, unloading trucks, and operating an industrial grinder and band-saw, picking up a rudimentary knowledge of cow and pig anatomy. I was also responsible for recording temperature and grinder logs, and recording a product placement tool (to track sales of specific items).
  - My time working here made me tolerant to many unpleasant sights and smells.

07/06-07/07      **Pepperoni Grille**      Saint Clair Shores, MI  
Busboy

- My first real job, learned to work in a fast-paced, high stress environment.

10/04-09/07      **The Cheesecake Shop**      Saint Clair Shores, MI  
Packager/Unloader

- Part time after-school job, learned responsibility.

## Education

---

2006-Present      **Wayne State University**      Detroit, MI  
Double Major - Biology and Nursing

- I enrolled as an English major (BA), but changed my mind in my junior year. I am now pursuing a Nursing degree, but I intend on subsequently finishing my BS in Biology.
- Currently, I have completed all general education coursework, including:
  - Computer Literacy/Office Applications.
  - Introductory and Developmental Psychology.
  - 3 Semesters of Spanish (can speak semi-fluently).

2002-2006      **South Lake High School**      Saint Clair Shores, MI  
Graduated with AP college credit (English).

- Extracurricular activities included Spanish Club and Quiz-Bowl (trivia competition between schools).
